

INSTRUCTIONS

1. Cut the patterns around the dotted lines.
2. Look for the "+" sign to insert the holder ribbons.
3. The larger pattern areas are the outside of the bag.
4. The different designs at top and bottom are decorative.
5. The white areas are the most likely ones which will require glue.
6. The top strip needs to be glued into the inside of the bag to hide the seems of the ribbon.
